READINGS

GENESIS 1:1-4, 26-31 In the beginning: the story of God's creation reminds us that we are made in God's image; and that image is an image of relationship: made together, male and female, made to mirror God's relationship of Father, Son & Spirit. We were made by community to be in community.

MATTHEW 28: 16-20 In the power of God's spirit, the spirit which moved over the earth in creation, we are sent out by the risen Christ to draw the whole world back into community: into relationship with God and one another.
